

# ADDITIONAL EQUIPMENT

## CARD-COLLECTOR

The “newer” in a range of our accessories is Card collector stand.

It designed with stainless steel housing (polished, brushed, powder coated optionally).

Card collector stand is equipped with LED indicators and card slot.

Its design makes this model appropriate for operating with every access control system (full-high, tripod, optical and rotor turnstiles).

Working as a system they are appropriate for administrative facilities, enterprises, banks, exhibition centers, museums and so on.

## GREAT SUPPORT ACCESSORIES FOR EVERY ACCESS CONTROL SYSTEM
